""Good Evening!  This is _____, Net Control for the Alaska Snipers Net.My name is _____, and my location is _____.

This is a roll call net, which meets 7 days a week on 3920 kHz, at 6 PM Local Alaska Time.The purpose of the net is to handle emergency, phone patch, and 3rd party message traffic for the State of Alaska  All stations are requested to remain on frequency until the net has been closed.

If you would like to be added to the Snipers Net roster, please contact either KL7GG, AL7CE, or WL7AK. New members will be added on the first of the month and it still takes seven check-ins a month to remain on the roster. Is there any emergency traffic? Any relays?  Would anyone like to list traffic before the roll call?
